CARE TO SHARE

Referrals are the heart of our growing practice, so we have introduced a program to reward those patients who have been kind enough to send new patients to us for their dental care. When a new patient comes into our office for a comprehensive exam, a \$25 discount is awarded on their first visit. In addition, we will give you a \$25 credit on your account, to be applied to your current bill or to future treatment. It's our way of saying – *"Thank You!"*
